Recommended Track for Beginners

Professional Sequence in Semiconductor Technology Fundamentals

Recommended Track for Beginners

Professional Sequence in Semiconductor Technology Fundamentals

Intro to Microelectronics, EL ENG X480 (1 unit)

Intro to Microelectronic Circuits, EL ENG X481 (1 unit)

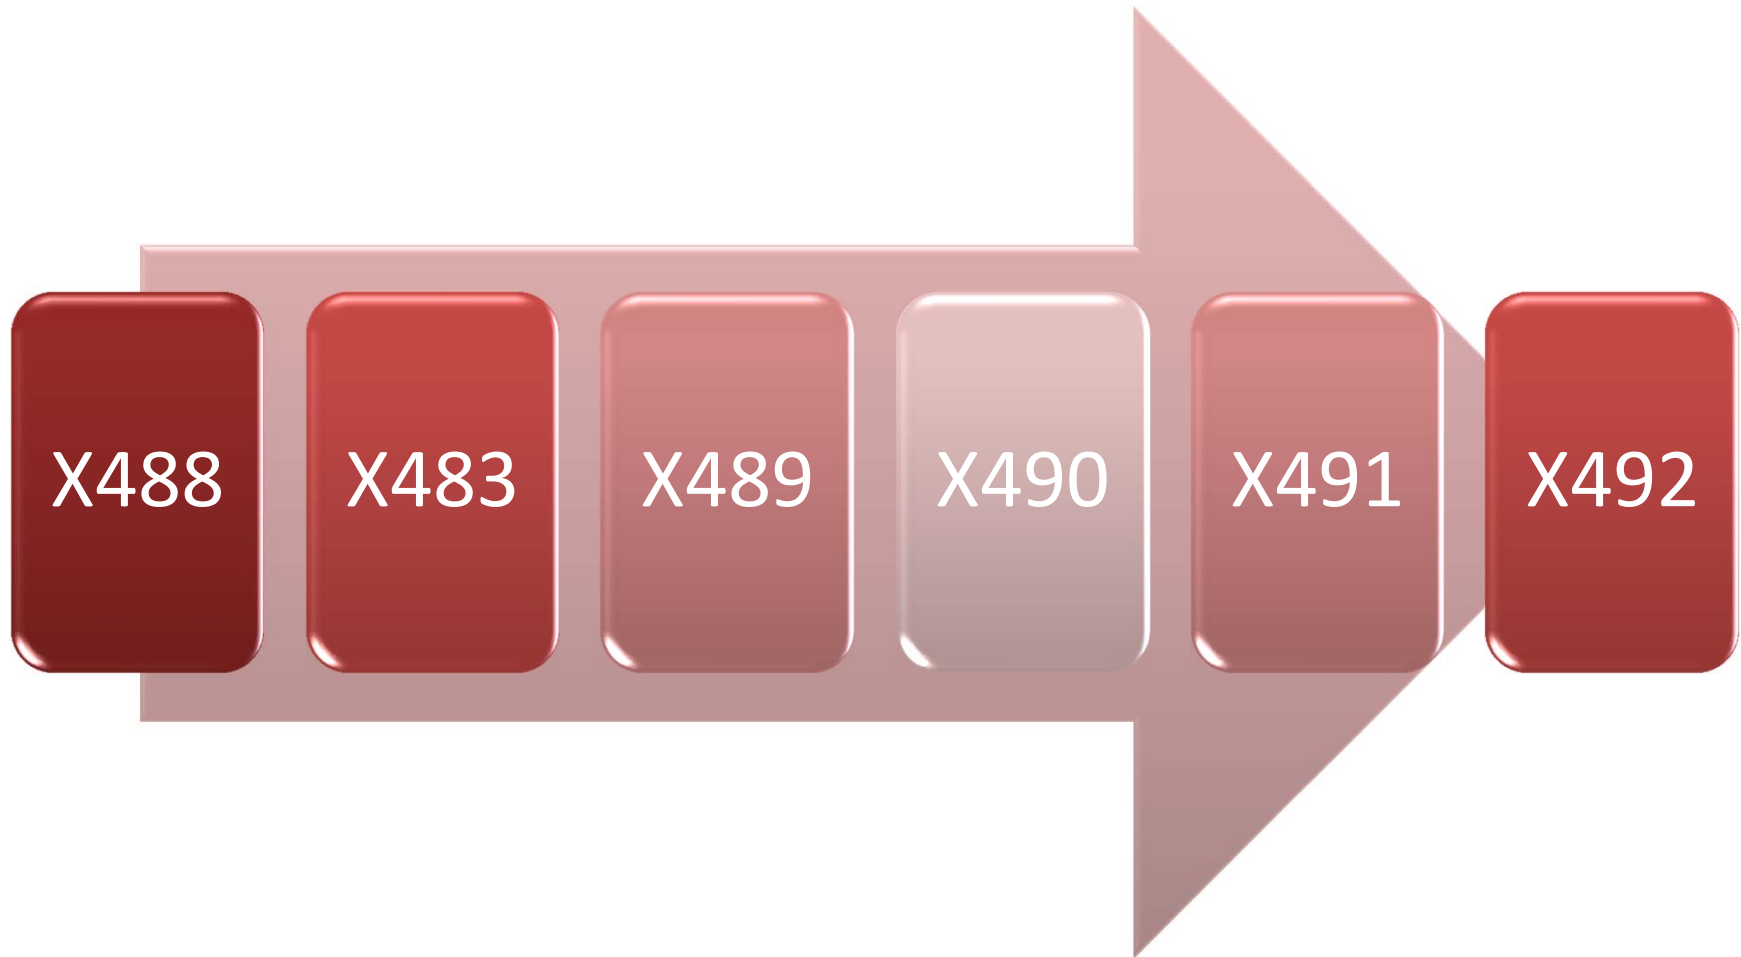

Intro to Semiconductor Devices, EL ENG X481.1 (1 unit)

Semiconductor Devices for IC Design, EL ENG X488 (2 units)

Semiconductor IC Amplifiers, EL ENG X483 (1 unit)

Recommended Track for Designer

Certificate Program in Semiconductor IC Design

Recommended Track for Designer

Certificate Program in Semiconductor IC Design

Semiconductor Devices for IC Design, EL ENG X488 (2 units)

Semiconductor IC Amplifiers, EL ENG X483 (1 unit)

Fundamental Analog ICs, EL ENG X489 (2 units)

IC Filters and Oscillators, EL ENG X490 (2 units)

Analog IC Design, EL ENG X491 (2 units)

Capstone Semiconductor IC Design, EL ENG X492 (1 units)
